Talking about Mental Health

Seeking help is a positive, healthy thing for young people to learn, especially when it comes to mental health.

Thanks to your support of the Prestige Car Draw, qualified counsellors at Kids Helpline are here 24/7 for anyone aged 5 to 25 - no matter who they are, where they live or what they want to talk about.

Mental health is the number one concern that young people want to talk about when they contact Kids Helpline. In fact one in 4 counselling contacts relate to mental health. And one in 7 involve a young person seeking help for suicide concerns.

Every day Kids Helpline plays a vital role in not only saving young lives, but also in arming kids with practical decision-making and problem solving skills to deal with challenges they are facing in their lives now and into the future.

Your ticket purchase in this draw plays a big role in making sure all young people continue to have FREE access to this help and someone to talk to. Thank you, and best of luck in the draw.
