Some talented young people enrolled in one of our Job Training programs worked with Darren Palmer to fit out this beachside home.

Our Enterprise programs aim to tackle long-term youth unemployment by providing young people with paid work experience and on-the-job training as a stepping stone to open employment.

"I couldn't put together so much in such a small time without the amazing work of the Enterprise team. They're really invaluable to completing the biggest prize of the year which in turn helps more young people in need." Darren says.
